BEST BET: Race 6 - #6 Purple Girl

This filly has been knocking on the door in her last few starts, but she should be the main controlling pace in this race. She was beaten by just $\frac{3}{4}$ of a length last time out and she should be in a good spot today with jockey Leonel Reyes, who has been riding in good form lately.

LONGSHOT: Race 5 - #8 Apache Brave

This consistent turf sprinter moved the Angel Rodriguez last time out, and his debut for the barn was in stakes competition. He has some tactical speed, and gets a significant drop in class today. He should be able to sit a good tip and should give a stronger performance second time out for these connections.
