From FHBPA:
Please be advised that some trainers have been receiving letters from State Investigators inquiring about the status of horses that were pulled up in a race and did not finish. Typically, this means that they are acting upon a complaint. Anytime you have a horse ending their racing career, please take care to make sure you are donating/selling the animal to a reputable person or institution. Also, it is advisable to always have a paper trail such as Bill of Sale or other instrument documenting the transfer of the horse, and its ultimate destination, in order to provide evidence that the horse is no longer under your care and management.

Attention Horsemen: Tapeta Surface preparation will begin Monday, June 7, two weeks earlier than originally proposed. Five furlong turf races will not be carded for 2-3 weeks. Racing department will try to offer those races prior to start up. Two turn turf races will not be affected.
